On March 22, 2019, claimant filed a petition for alternate medical care. The matter is scheduled for hearing on April 4, 2019, at 1:00 p.m.

Claimant's requested relief was authorization of an ultrasound and medication for his injury. Prior to the hearing date, Defendants authorized the requested care.

The parties report that the authorized care resolves the pending alternate medical care petition and request entry of a consent order to confirm and document the agreement.

**IT IS THEREFORE ORDERED**

Defendants agree to provide the authorized care requested in claimant's alternate medical care petition.

Signed and filed this 2<sup>nd</sup> day of April, 2019.
